## DIGITAL MEDIA PRODUCTION/FILM & VIDEO / SOCIAL MEDIA MANAGEMENT

### ABOUT ME

Hi! My name is Isabella Bento and I have been involved with production for the past four years now in and out of university. I am a fast learner, outgoing and full of determination. I am so excited for new opportunities to learn and meet new people.

### WORK EXPERIENCE

- September 2025-Present  
Speco Technologies  
**Digital Media Marketing & Video Specialist**  
At Speco, I coordinate all video productions including interviews, event coverage and any promotional content. I create all video content from start to finish, including planning, filming, editing and posting. I schedule all social media posts and budget paid ads for the company. I continuously meet tight deadlines and collaborate with various departments.
- May 2024 - May 2025  
Communications & Marketing Department at SUNY New Paltz  
**Videographer/ Editor**  
As a Videographer and Editor for the University, I was responsible for producing promotional content covering campus events and programs. I managed the full video production process, including planning, filming, editing and publishing on the University's YouTube channel and other social medias. I interviewed students, staff, and faculty for some projects, always ensuring clear and engaging storytelling while also aligning with the university's branding and communication goals. I met tight deadlines and collaborated with various departments.
- January 2025 - May 2025  
WFNP Radio Show 88.7fm  
**Radio Show Host**  
Hosted and produced my own radio show, airing 1-3 times weekly. Managed all aspects of production, including creating promotional content and graphics for Instagram (@bbmuseradio), developing weekly playlists and mixes, and operating technical equipment such as the soundboard, microphones, and speakers. Took ownership of the show's branding, promotion, and on-air content to consistently engage and grow the audience.
- June 2019-present  
Carvel Ice Cream  
**Employee/Trainer/Manager**  
At Carvel, I work with customers at the register as well as when they are placing orders over the phone. I serve the costumers and help keep the shop interactive and kindl am responsible for training new all employees and placing orders for cakes.
- August 2023-May 2025  
Delish Frozen Yogurt  
**Employee/Manager/Trainer**  
I interacted and helped customers with their orders as well as answer any questions. I am also trusted to open and close the shop weekly, this overall involves making sure the shop is prepared to be opened to the public or closed for the entirety of the night.
