AGREEMENT TO PROGRAM CONDITIONS

PARTICIPANT'S STATEMENT

I, the undersigned, understand and agree to the following conditions of the 2022 Leap Innovation Lab program.

1. I commit to participating in the 10-week virtual program and attending the live programming.
2. I agree to not miss more than one session (either the Tuesday or Thursday meeting) in the Training & Workshop phase (July 2022).
3. I agree to reach out to my mentor, schedule our meetings and be on time for all of our virtual meetings from August - September 2022.
4. I agree to have a laptop or desktop computer with strong internet connectivity so I can participate in all the program's virtual activities.
5. I agree to keep confidential any data, recordings or material that ICFJ staff, other participants, trainers and mentors share with me and ask for it not to be shared.
6. I agree to complete all surveys provided by ICFJ to evaluate my progress throughout the program, measure the efficacy of the program and to help ICFJ staff to implement changes in the program.
7. I agree to send bi-weekly updates throughout the mentorship phase to ICFJ staff.
8. I understand that Leap finds it crucial to have the endorsement of an executive from my organization for our participants in the Leap program in order to generate rich conversations and implement real changes in the business.

9. I understand and I agree that my organization will need to share strategic information with ICFJ staff and implementing partners in order to understand and validate the impacts of the program. This will take place during the program and after completion of the program.
10. I understand and I agree that in order to improve my organization's chances of success, I must participate in the training and mentorship sessions and be ready to implement changes with my team.
11. I understand that sessions may be recorded to share internally and that my likeness may be captured and used for promotion of the program externally on social media, presentations, or on websites. To opt out, please write to mfarley@icfj.org.

Participation in this program is contingent upon my ability to meet all requirements. I certify that all statements in my application are true, to the best of my knowledge. I understand that any participant who violates these rules can be asked to withdraw from the program without further notice.
