

The GenR Dallas Bulletin

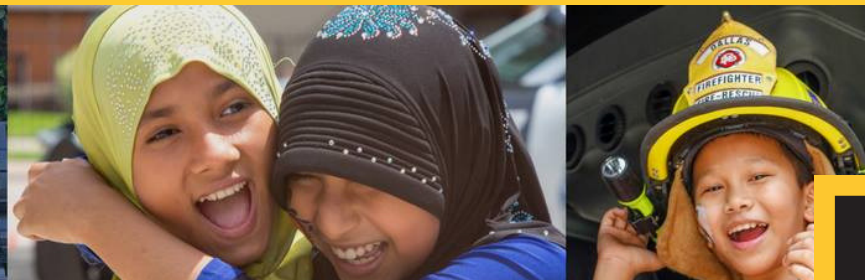

A recap and quick agenda of thing to come

Welcome GenR Dallas Members!

It's an honor having you on the GenR Team and it is through your work that change is happening. Being a GenR Dallas member is tons of fun but also comes tons of work. We work to ensure that the voices of those who are in need around the world are heard and that change is being made.

We are GenR, short for "Generation Rescue", a group of young influential humanitarians who together with the International Rescue Committee (IRC) help those around the world by engaging in our local communities via advocacy, educational, networking, fundraising and direct volunteer work. We work to be the change we want to see in the world.

What's to come this Month
