## Send and receive money fast.

Zelle<sup>®</sup> is a fast, safe and easy way to send money to your friends and family. Plus, it's free for U.S. Bank customers.

The Zelle logo is centered in a bold, purple font. It is surrounded by several decorative elements: a large light purple circle, a medium light purple circle, a small light purple circle, and a small dark purple dot. The logo itself consists of a stylized 'z' with a vertical bar on its left side, followed by 'elle' and a registered trademark symbol.
