Bear Lake Valley Health Care Foundation and Modern Woodmen hosted a fundraiser Trivia Night that was held on April 19. With nearly \$5,000 raised that evening, all proceeds will go toward a new MRI Suite at Bear Lake Memorial Hospital.

The majority of the funds came from team sponsorship from the following individuals and businesses: A-Team (Linda Arnell), Bear Lake Dental sponsored the Highschool Students, Dr. Trevor Jacobson, Bear Lake Memorial Hospital Employ-

ees, Bear Lake Memorial Hospital Auxiliary, the local Rotary Club, and KVSI/Bear Lake Motor. Modern Woodmen also contributed \$1,500. Other money raised was through food sales and by selling mulligans.

The top winning teams for the evening was the Montpelier Rotary Club. This is the third year the Foundation has helped sponsor Trivia Night and they look forward to planning this event again next year. Thank you for those who attended and help support the new onsite MRI suite coming by 2020.
