

# RED-CARPET READY

Priyanka Chopra may have made several style statements on her home turf over the years, but she's recently taken the red carpet by storm in Hollywood too. **Rhea Dhanbhoora** helps you mimic her international diva look

## #1: BACK IN BLACK

At a Delta Airlines event for the Grammy Awards, Priyanka rocked a sheer and solid dress with a gorgeous side-part. This Juby McDonald dress for ₹21,316 is more lace than stripes, but still matches her look. Pair it with a black Elliza Donatein clutch from Shoppers Stop for ₹1,599 and these gorgeous Ted Baker pumps from Elitify for ₹26,990 in order to add a pop of colour to your look, just like she did.

## #2: BLAZING BLUE

At the Billboard Music Awards this year, Priyanka turned heads in one of the most striking outfits we have ever seen her in. However, it wasn't easy for us to find the same cobalt blue gown, so we've got two options for you. Rock her thigh-high slit style in this ASOS gown (far right) for ₹1,667, or get her plunging style with this dress from Mango (right) for ₹5,590. Don't forget the loose plaited style on your tresses to go with it!

## #3: PEACH QUEEN

By far one of our favourites, we adore her look at this film premiere. From the coiffed hair and bold red lip to the gorgeous jumpsuit, we're in love. This jersey jumpsuit for ₹2,717 from ASOS, has a longer sleeve, but cinched with a Lara Karen belt from Jabong for ₹799, it apes the look well. Accessorise with the Nirvana Star Marquise minaudière from Swarovski for ₹34,900, which is pretty similar to hers, and tone down all the gold with a pair of brown-gold strappy stilettos — we picked this Rocky Star pair from Shoppers Stop for ₹2,499.

## #4: SUIT UP

Priyanka wears the pants in our stylebooks — literally! At a gala at the Lincoln Centre in New York, she stunned in this white-hot pantsuit, but let's face it, white is too much of a risk for us regular folk to jump right into. So instead, we've brought you a pretty, rose-cream option that's almost perfectly matched. Get the jacket (and dare to wear the plunging neckline as bare as she did!) from Marks & Spencers for ₹2,999, and trousers from Zara for ₹2,490. Accessorise with a silver and black necklace from Amazon for ₹975.
