

Destination: Los Cabos

Located at the tip of Baja California's peninsula lies one of Mexico's top tourist destinations, Los Cabos. Where the mountains and desert meet the shore, creating a unique and beautiful landscape. Often referred to as "Nature's Playground", Los Cabos offers a wide range of outdoor activities from deep-sea fishing and surfing to mountain biking, horseback riding and more. Los Cabos is made up of two towns, Cabo San Lucas and San Jose del Cabo, connected by an area called the Tourist Corridor. Cabo San Lucas, at the southernmost tip, is known for its beautiful coastal rock formations, white sandy beaches, water activities and is home to numerous resorts, restaurants, nightlife and shopping experiences. Tourist Corridor is a scenic 20-mile stretch of coastline connecting the two cities featuring luxurious resorts, world class golf-courses and breathtaking beaches overlooking the Sea of Cortez. Just a short drive away is San Jose del Cabo, which offers a quieter, more historical atmosphere. Its charming cobblestone streets, colonial architecture, and thriving Arts District, provides a contrast to the touristy vibe of Cabo San Lucas. However, San Jose del Cabo still offers plenty of resorts, restaurants, shops and beautiful beaches to enjoy.

No matter what area you stay in Los Cabos, you are guaranteed to have a relaxing vacation with stunning scenery and endless activities. With 350 days of sunshine, Los Cabos is one of the rare destinations around the world that promises great weather year-round.
