## Product Description

Experience the refreshing essence of nature with Nordic Tree Water. Sourced from the pure birch trees of Finland, the revitalizing elixir offers a unique blend of health benefits and a refreshing taste. Unlike conventional sports drinks, Nordic Tree Water is naturally low in calories and free from artificial flavors and preservatives, making it an ideal drink for daily hydration, workouts, and boosting immunity. Nordic Tree Water is the perfect companion for wellness and healthy lifestyle. Immerse yourself in the refreshing taste of birch trees with every sip of Nordic Tree water.

## Features and Details

- **All-Natural Ingredients:** Non-GMO naturally flavored birch water with the pure essence of nature.
- **Sustainable:** Harvested sustainably from pure Finnish forests and packaged in eco-friendly Tetra Pak cartons.
- **Nutrient-rich:** packed with electrolytes, minerals, and over 200 bioactive nutrients for optimal wellness.
- **Flavors:** Available in Energy, Immunity, Natural, and sport variants.

- **Immune-Support:** infused with phytonutrients such as betulin for antibacterial and antiviral properties.
- **Skin-health:** Enriched with amino acids and antioxidants for a youthful appearance and reduced wrinkles.
- **Dental-health:** naturally contains xylitol, which reduces cavities and supports dental health.

## Find your flavor

With four different flavors, it is easy to find your perfect match. Our **Natural** variant captures the pure essence of Finnish forests, offering a clean and crisp taste. For immune support, try out the **Immunity** blend, infused with natural vitamin C and blueberry concentrate. Are you looking for an energy boost? Opt for the **Energy** variant for a long-lasting boost that combines caffeine extracted from guarana and natural cranberry sugars. Lastly, our **Sport** formula includes lingonberry and cranberry juices, along with organic maltodextrin, perfect for boosting endurance and recovery.

## Our Story

From Finland's pristine forests, Nordic Tree Water began with a simple mission: to bring people pure hydration through nature's essence. Inspired by Viking's traditions, Nordic Tree Water, is derived directly from birch sap rich in over 200 nutrients and free from additives. Packaged sustainably in Tetra Pak cartons, it symbolizes our commitment to wellness and nature. Our mission is to help you rediscover the natural joy of hydration.

Whether you want to improve your hydration, recover after a workout, or enjoy a healthier lifestyle, Nordic Tree is perfect for you and your family. Join us in embracing a drink that honors the essence of Nordic wilderness, crafted with care to nourish both body and spirit.
