PROFESSIONAL EXPERIENCE

QIAGEN, Ann Arbor, MI

2023 - 2024

Scientist

- Authored technical documentation and quality summaries aligned with compliance and GCP standards.
- Contributed to regulatory submissions by preparing and reviewing assay performance documentation.
- Partnered with regulatory, medical affairs, and manufacturing teams to ensure accuracy, clarity, and compliance across deliverables.
- Developed and presented slide decks and technical summaries for cross-functional stakeholders and leadership.

UNIVERSITY OF MICHIGAN, Ann Arbor, MI

2020 - 2023

Postdoctoral Fellow

- Authored/co-authored 10+ peer-reviewed manuscripts, 1 book chapter, and multiple abstracts/posters for scientific audiences.
- Wrote and secured research funding (MICHR grant, 2021–2023) through successful grant proposal authorship.
- Delivered oral and poster presentations at international scientific meetings (SSR 2021, 2022).
- Conducted systematic literature reviews to support manuscript development, protocol design, and publication planning.

UNIVERSITY OF COLORADO, Boulder, CO

2018 - 2020

Research Associate - Integrative Physiology Department

- Drafted and revised manuscripts, figures, and data visuals for submission to peer-reviewed journals.
- Created slide decks and posters for academic and conference presentations.
- Edited and reviewed student theses and manuscripts for clarity, compliance with journal style, and scientific rigor.

Universidade Federal de Minas Gerais, Belo Horizonte, Brazil

2013 - 2017

Adjunct Professor / Research Professor / Postdoctoral Junior

- Authored 25+ publications (4 first-author) including original research, review articles, and case-based manuscripts.
- Developed educational and training materials (clinical pharmacology, pharmacokinetics, and pharmacodynamics) for medical and pharmacy students.
- Mentored graduate students in scientific writing, manuscript preparation, and peer review processes.
- Contributed to the development of teaching case studies with medical relevance.

FACULDADE PITÁGORAS, Betim, Brazil

2015

Adjunct Professor - Pharmacy School

- Designed and delivered lectures, clinical case studies, and educational content on physiopathology and pharmacology.

EDUCATION

- Certified in Medical Editing, American Medical Writers Association
- ORAQ Regulatory Affairs Training Program, Duke School of Medicine, Durham, NC, USA
- Ph.D., Pharmacology and Physiology, Universidade Federal de Minas Gerais, Belo Horizonte, Brazil
- Bachelor in Pharmacy, Pharmacology, Universidade do Sagrado Coração, Bauru, Brazil
