BOUNDLESS POSSIBILITY

TVS

HOW DOES A STRONG

ANNUAL FUND SHAPE TVS?

AT TRINITY VALLEY SCHOOL,

our educators are constantly innovating to deliver academic excellence through personalized learning, always focused on the heartbeat of our community — the joy of our students and the trust of our families.

Beyond academics, TVS shines through its collaborative spirit, where parents, faculty, and students come together to foster an environment of care, encouragement, and shared success. Rooted in the visionary leadership of founding Headmaster Stephen Seleny, TVS has enriched generations, building an enduring legacy made possible by the generous support of the TVS Annual Fund.

The Annual Fund is essential to sustaining the enriching experiences that define TVS. It supports exceptional programs, funds financial aid, and invests in the growth of our students and faculty. This critical funding goes beyond tuition, allowing TVS to continue offering Boundless Possibility to every deserving student while preserving our legacy of excellence.

We invite you to join fellow Trojans in supporting Boundless Possibility by contributing to the 2024-2025 Annual Fund. Your generosity truly makes a difference!
