Gabe,

Today is a special day. Do you know what it is? It's Giving Tuesday!

On this day every year, the world adopts one common assignment: to help further the impact of nonprofit organizations through generosity.

As you know, here at Kenneth Copeland Ministries, we're no strangers to impact. Take, for instance, VICTORY Channel. As our nonprofit, free-to-air television network, VICTORY offers live programming, daily faith-filled broadcasts, on-demand teachings, talk shows, interactive prayers and national news—all in the spirit of faith, 24 hours a day, seven days a week.

It was one of those daily faith-filled broadcasts that led Shaunda Butler to her healing. After suffering with knee pain for months, she followed Brother Copeland in a confession of healing. And before long, she was walking completely pain-free! **"I just thank the Lord for using Kenneth Copeland Ministries to impart healing into my life," said Shaunda.**

Because of the support from Partners like you, KCM has also distributed over 2.6 million *Believer's Voice of Victory* magazines since 1973, which are filled with articles, testimonies and step-by-step guidance on how to live a life of victory in the Word. **Here's what A.C. had to say about the impact of the BVOV magazine:** "The *Believer's Voice of Victory* magazine has gotten me through some of the darkest and most traumatic times of my life."

Our shared impact doesn't just take place online or in writing. We have in-person events too. We might have even met you this year at the Southwest Believers' Convention! Nick Nance was glad he attended. When the negative effects of a rare mental illness pushed Nick to his breaking point, he came to our **Southwest Believers' Convention. And that's where he was miraculously delivered from a 12-year battle with debilitating fear!**

Oh, and that's not all we are accomplishing together—every year, we give out around 500,000 faith-filled teaching resources, as well as lend support to those affected by natural disasters, minister to inmates in prisons all over the nation, evangelize on the streets of various communities, and so much more!

But without the generosity of supporters like you, none of the work we do or the testimonies we receive would ever happen. And because of that, you share in the spiritual reward of the impact we make!

This Giving Tuesday, we wanted to extend an invitation to you. Would you consider coming alongside our mission to continue

this impact by sowing a special gift into Kenneth Copeland Ministries?

There's nothing quite like the feeling of turning your gratitude into giving, by investing in the good work God is doing around the world.

Together, let's spread the Word from the top of the world to the bottom and all the way around the middle!
