

Mighty Fish: Blue Marlin

"Mighty Fish: Blue Marlin" is a new video slot from Wazdan that offers a bonus game as the only way to win. The fishing theme is perfectly combined with a set of features, and the final prize will be 2500 times the bet. The slot offers a betting range for players from 0.20 to 100 dollars, and the game area includes 5x3 reels, as well as an additional reel on top. The RTP of Mighty Fish slot demo is 96.18%, and the volatility level is adjustable.

Gameplay

You will dive into the depths of the vast open sea, where beautiful decorations of corals, fish and bubbles fill the bottom. There you will easily notice the blue marlin and also without excessive effort you will be able to catch it.

Among the large number of special symbols, slot players get starfish Scatters, blue marlins, as well as five types of coins. Each of them has its own purpose, bringing different prize options and modifiers to the table.

The gameplay of the slot "Mighty Fish: Blue Marlin" involves matching symbols on five reels. Players can change the volatility of this game. This makes it suitable for any style of play, whether you are a fan of frequent wins or big prizes. The betting range varies from 0.2 to 100 dollars, which provides enough flexibility for both risky high rollers and average casino users. Play Mighty Fish for real money on the Level Up platform and you definitely won't be disappointed!
