Success stories

Enhancing cost efficiency

With 2C2P's strong local bank connections, Malaysia Airlines processes credit card payments with lower fees. Further boosting its cost savings is 2C2P's flexible routing system, allowing it to select which banks to route transactions to.

Taking to the skies quicker

2C2P is a trusted partner of IATA, the world's largest airline association. Together, we optimise B2B payments, streamline settlements for travel agents, and increase the payments reach for airlines worldwide.
