Crypto.com reserves the right to assess each applicant's eligibility for the Exchange Market Maker Programme. Please refer to the FAQs below for more information.

Frequently Asked Questions

What is the Crypto.com Exchange Market Maker Programme?

The Crypto.com Exchange Market Maker Programme rewards traders who tighten bid/ask spreads and add liquidity to the Exchange. Market makers have a different set of needs from retail traders. That's why the Market Maker Programme offers exclusive trading features to liquidity providers that address capital efficiency, risk, technology, and rewards.

I'm interested in the Crypto.com Exchange Market Maker Programme but I can't meet its requirements right now. Can I still apply for it?

Of course! Please contact us and we'll speak with you right away. We understand the nuances of high-volume trading and that every liquidity provider's position is unique.

Are there more benefits beyond what is listed here?

The perks listed in this page are just some of the bespoke benefits and services you'll enjoy as a liquidity provider to the Crypto.com Exchange. Reach out to us for the full suite of perks you stand to receive as a Market Maker.

Do you have a programme that's specifically for high-volume retail traders?

Yes, we do. Please visit this page to learn all about the Crypto.com Exchange VIP Programme.
