PROTEST
THIS
S#*T

A large crowd of people is gathered outdoors on a grassy area with a paved path. The scene is set against a backdrop of bare trees and a bright blue sky with scattered white clouds. In the center of the crowd, a person is holding a white rectangular sign. The sign features the text "SCIENCE: IT'S LIKE MAGIC BUT REAL" in a bold, sans-serif font. The words are color-coded: "SCIENCE:" is blue, "IT'S LIKE" is green, "MAGIC" is red, and "BUT REAL" is purple. The crowd consists of people of various ages and ethnicities, many wearing winter clothing like coats, hats, and scarves. The overall atmosphere appears to be one of a public demonstration or a community gathering.

SCIENCE:
IT'S LIKE
MAGIC
BUT REAL

Science does
NOT LIE.
Politicians
DO.
