

Dear %firstname%,

Happy Independence Day! It was a great honor to march in Bristol's 233rd annual Fourth of July Parade--the oldest in the nation! Thank you to the town of Bristol and all of the parade organizers for putting on a phenomenal display of patriotism and tradition.

We here at Team McKee hope you enjoyed all that our beautiful state has to offer with family, friends, cookouts and fireworks. This holiday gives us a chance to reflect on the progress we've made as a nation as well as in Rhode Island, and lets us think about our hopes for the future.

Here are some of my hopes for Rhode Island:

- Quality education so that every child can have a bright future
- An end to the opioid epidemic plaguing our communities
- Successful small businesses so they can help our local economy flourish

July 4th is also an important marker in our campaign: We are officially 10 weeks away from our primary on Wednesday, September 12.

We're getting ready to mobilize and hit the streets, and we need YOU. [Can you please dedicate 1-2 hours to help get me continue serving as your Lt. Governor for another four years?](#)

Come be a part of Team McKee! Sign up to knock doors, make calls, wave signs, and attend events, or however you want to help. If you're unable to volunteer but still want to contribute, [please consider donating \\$10, \\$25, \\$50 or \\$100 to the campaign.](#)

I can't do this without you. Together, we can make Rhode Island the best state in the nation for families, businesses and communities.

Thank you, we'll see you on the campaign trail!

Dan
