Questa collezione si ispira allo stile dell'iconico designer Alexander Lee McQueen. Elementi drammatici e teatrali sono rappresentati nella mia collezione proprio come quelli che lui inseriva nei suoi Fashion Show donando quello che era uno stile innovativo ma allo stesso tempo moderno ed elegante. Questa collezione si ispira ai moti interni dell'anima che ho deciso di trasferire alla realtà attraverso l'arte e creando stampe e motivi originali.

MOODBOARD

A fashion show runway scene featuring a model in the foreground wearing a light blue pleated dress and large black feathered wings. She has blonde hair with a fringe and is looking over her shoulder. In the background, other models are visible, including one in a patterned dress and another in a pink dress. The runway is lit with red and white lights.
