WARNER HOTELS

Winter Warners

Whether it's relaxation or celebration on your wish list, Warner Hotels will leave you utterly spoilt for choice with a selection of one-night to four-night breaks across the country. From November, **Martinis and Mistletoe** embraces the season's romance (think lantern-lit strolls and fireside tipples), while **Turkey & Tinsel** wraps up favourite festive traditions, from pantomimes to pub quizzes. Later in December, the sparkly **Festive Party** breaks boast a dazzling line-up of entertainment. At the height of the season, you could enjoy Christmas with all the trimmings, lean into the laziness of Twixmas, or ring in the New Year in style. Decisions, decisions... Don't forget there's a deal for Boundless members, too.

BOUNDLESS BREAKS

Greet the season with a festive getaway

Three atmospheric destinations, each with a member discount

It feels extra-special to get away from it all over Christmas, and there's a Boundless-owned destination to suit everyone, whether it's a festive forest adventure, indulgent winter spa escape or cosy Christmas cottage getaway.

A family-friendly haven, **Whitemead Forest Park** offers seasonal getaways from 29 November. As if its Forest of Dean setting wasn't enchanting enough, the park runs a packed programme of seasonal magic, including dazzling pantomimes, visits to Santa's grotto and festive tribute nights. On the big day itself, you can expect gifts for little ones under the tree and a five-course lunch that'll leave you suitably stuffed.

The seaside may not seem an obvious choice for a winter getaway, but

Bournemouth is brimming with festive fun: there's a German Christmas market, an ice-skating rink, and a twinkling path of illuminated trees leading to the pier. **Bournemouth West Cliff Hotel's** restaurant and bar offers a welcoming haven in which to warm up after your wintry excursions, and its pool, spa and gym may tempt you to stay inside.

For something quieter, how about a quintessential Christmas in the countryside at our cosy **Cotswold Cottages**? They're tucked away in pretty Bourton-on-the-Water, renowned for its Christmas tree in the River Windrush.
