Rethink your financial data: One business relationship. One set of unified APIs.

One data set. Endless possibilities.

Diverse data
—all in one place

Data for stocks, forex, crypto, and more

We partner with trusted
market data
providers across the
industry

We aggregate data so you don't have to

And never charge any
exchange
fees

We're committed to transparent pricing

Get market data that's:

- ✓ **Aggregated**
- ✓ **Cleaned**
- ✓ **Adjusted**
- ✓ **Normalized**

And the list goes on!

atom finance

- ✓ **Accurate**
- ✓ **Secure**
- ✓ **Affordable**
- ✓ **And more**
