

Hi there!

Do you want a **global scale visibility** for your hotel? We at **placesonline.com** get around 15 thousand unique views per month! Imagine the massive exposure your hotel will receive and the best part is our service is totally **free-of-charge**!

We are a **leading global tourism site** referred and trusted by millions of users around the world, since 2001. We provide the most accurate and to-the-point information about major tourist attractions, transport options and accommodation facilities, covering all popular tourist destinations. Listing on our website ensures your hotel gets the **maximum and continuous coverage**, highlighting its best features and facilities.

Our team of expert writers will highlight all the required information in an **easily accessible format**; ensuring tourists have **clear and precise information** about your hotel. Official website link accompanying this information will instantly redirect interested tourists to your site, facilitating quick bookings! In turn, our website's link will be placed on your site for further promotion. I hope you will agree that joining hands with us is the **best marketing policy**, the one which will not cost you anything!

Hope to hear from you soon.

Best Regards,

Hello again!

PlacesOnLine.com aims to capture your attention once again about the **best possible deal in online promotion and marketing**. Our exclusive service ensures **global exposure** to your prestigious hotel and that too without shelling out a single penny! As they say, the best things in life indeed come free!

We are amongst the **top-ranked travel and tourism sites** that are extensively referred and well-trusted for its wide coverage and accurate information about popular tourist destinations. Thousands of tourists visit us daily to know and learn about tourist attractions and accommodation options. Imagine the **instant publicity** your hotel will receive! We would also like to remind you about the **specialty article** that will accompany the link of your hotel website. **Apt and lucrative description** about the hotel encourages more traffic flow to your site, which in turn increases the number of potential customers. Not to mention, we provide this service **absolutely free-of-cost!** Such referral service is far more effective compared to getting a random hit from a search engine, because visitors coming from our site would *already* be interested to know more about your hotel. A good beginning is half the work done! We also provide **free web space for uploading up to ten photographs** of your hotel and/or hotel surroundings, which would further multiply the interest factor.

Adhering to the policy of online advertising and promotion, we would expect you to place a link to our site, placesonline.com, onto your hotel's website. This is a win-win deal for an unparalleled exposure and does not incur any monetary cost to your company.

Hope to receive a positive reply from you regarding this unbeatable offer!

Best Regards,
