To Whom It May Concern,

I am writing this letter as a recommendation for Brian Brant.

Brian came to WESH 2 News as a web department intern in the spring of 2018 and made an immediate impact on our digital operations.

In his time as an intern, Brian proved to be a strong news writer, with smart and thoughtful news judgement. He regularly contributed content to our website and pitched stories that were pursued both for television broadcast and web publishing.

He quickly grasped our CMS and took it upon himself to develop his skills with Adobe Premiere and Adobe Photoshop.

Brian's work as an intern went above and beyond my expectations, particularly his positive attitude and strong work ethic.

I give him my highest recommendation. Whoever chooses to hire Brian will get a teammate they can count on and a teammate who can make a difference.

If I can be of further assistance in discussing Brian's performance, I will be more than happy to have that conversation.

Respectfully,

Brian Doyle
