About monthly giving at
Angkor Hospital for Children

Angkor Hospital for Children (AHC)

Every child — rich or poor — deserves to be healthy

Angkor Hospital for Children (AHC) is a leading children's healthcare organisation based in Siem Reap, Cambodia.

Since 1999, we've helped millions of children get the healthcare they need.

Give the gift of life every month

Become a Friend of AHC

Health care never stops. With a monthly gift, neither does your impact.

If you believe in standing up for children's health and creating lasting change in your community, consider becoming a Friend of AHC.

Our Friends of AHC are a dedicated community of people who are passionate about improving the lives of children. So much so, in fact, that they choose to save their lives every month with a regular gift.

With a monthly donation, you're partnering with AHC to fight for the right of every child to live a full, happy and healthy life — wherever they're from and whatever their ability to pay for care.

Any amount makes a difference. Whether you can commit \$1 or \$50 a month, every cent you give will go straight towards improving children's health care.

Why donate monthly

Donate monthly to save more lives

1. **Convenience.** Donating monthly is easy and hassle-free. Take two minutes to sign up, then sit back and watch your impact grow. It's that simple!
2. **Impact.** Make a bigger impact while going easier on your budget by making smaller gifts more frequently.
3. **Satisfaction.** Know your generosity is actively saving the lives of Cambodia's most vulnerable children.
4. **Confidence.** Our commitment to good governance has earned our community's trust. Rest easy knowing every cent you give will go towards improving children's healthcare.

But don't just take it from us — hear from some of our most dedicated Friends of AHC about why they choose to give.

“

My many small contributions have become a large contribution and can help many children in the hospital.

I always teach my children to share with others, whether it is big or small.

“
I’ve been providing monthly support to AHC since the beginning of 2019. Although the amount I contribute is small, my family and I feel happy to make such an important contribution, especially to our country’s children. I think the regular support of this small amount shows the strength of unity: one by one and little by little, we’ll be able to support the hospital in caring for children in Cambodia, who are the pillar of our nation’s future.

Make a big impact with small, easy donations

Learn about payroll giving

Saving lives has never been easier. When your company enrolls in payroll giving, a small amount is automatically deducted from each participant's paycheck and donated to AHC.

Boost employee engagement and morale, empower your team to make a meaningful difference and save lives together every month!

Want to double your impact on children's lives? Consider asking your employer to match your donation each pay period.

Ready to unleash your team's inner superhero? We'd love to discuss a customised payroll giving program that aligns with your company's values.
