

PREPARING FOR THE CERTIFIED PROFESSIONAL IN HEALTHCARE QUALITY (CPHQ) EXAM: A COMPREHENSIVE OVERVIEW FOR QUALITY PROFESSIONALS

Special Discount for Colorado hospital leaders/staff ONLY

The ***Comprehensive Overview for Quality Professionals Course*** features short video modules with related tools and resources necessary for mastery of the science of health care quality improvement and patient safety. The course covers the CPHQ examination content areas of Quality Leadership and Integration, Health Data Analytics, Performance and Process Improvement, Patient Safety, Quality Review and Accountability, Regulatory and Accreditation, and Population Health / Care Transitions. Additionally, students will have access to a sample CPHQ exam that may be taken multiple times throughout the process of studying for the CPHQ exam.

This fully on-demand, self-paced online course will provide students with deep knowledge of the skills and expertise necessary to be considered an expert in health care quality, whether or not they elect to sign up for the exam through the National Association for Healthcare Quality (NAHQ).

Cynosure Health is the CE provider for this course. Provider approved by the California Board of Registered Nursing, Provider Number 15958, for 8.25 contact hours.

COURSE LEARNING OBJECTIVES

- Describe improvement methodologies, and the applicability in health care
- Describe the role of the Hospital Quality Leader, as defined by the National Association for Healthcare Quality (NAHQ)
- Discuss the implications and application of data display techniques to drive improvement activities
- Identify key organizational roles that must be engaged to support effective improvement activities

Employees from Colorado Hospital Association member hospitals and health systems are eligible for a discounted rate of \$300 (normally \$400) for the course and associated resources.
