

Tired of coming home to dirty pile of clothes, Bruce? Well, we've got good news for you.

Hi Bruce,

We know you're busy, so we'll keep this short.

We could all do with a bit of extra time to get to the things that matter in life done, and being a working professional means having to prioritise the things that matter most. Sometimes that's a date, a trip to the gym or catching up on much needed sleep! When time passes us by, so does the time to sort out our laundry, and doing our own laundry can often feel like a thankless task when there's a hundred other things left to do.

That's why at Love2Laundry we'll only collect, clean and return your laundry in the time slots of your choosing.

How does it work?

Simply head to Love2Laundry.com and enter your details. Our team will drop by to collect your items and promise to get all the work done within 24-hours. Once your final shirt is nicely ironed out, we'll be on our way to return your clothes at your preferred time slot.
