## Après Ski

Hinsdale Junior Woman's Club (HJWC) hosted its annual holiday party, Apres Ski, at Beatrix Oakbrook in December with more than 100 joining in the winter festivities. This year, unlike years in the past, the event raised funds to benefit the HJWC Education Committee's efforts in awarding education scholarships to local students. The event raised thousands of dollars which will be awarded to deserving high school seniors in the spring. HJWC's annual benefit, A Gilded Affair, is coming up on February 8. *For more information on the event or to make a donation to one of its deserving charities, please visit [agildedaffair.givesmart.com](http://agildedaffair.givesmart.com).*
