*10th Anniversary Party*

Nearly 70 guests popped into Neiman Marcus Oakbrook for a summer kick-off and 10th anniversary celebration in June. After a decade of sharing the most interesting personalities, stylish finds, and local gems with readers, *Hinsdale Living* was happy to bring guests together. DJ Stack kept the party going with the best beats and fashion illustrator Kristine Steiner sketched personalized drawings of attendees, while guests snagged a photo in the photobooth, shopped exclusively after hours, and sipped bubbly. The evening ended with delicious handmade treats from local chef Jerome Landrieu of A La Foile. What a night!
