The Community House Holiday Ball

More than 400 well-heeled guests attended The Community House's much-anticipated Holiday Ball in December. The evening was filled with cocktails, auctions, a decadent dinner, and dancing. Co-chairs Erin and Luke Goodwin and Marisa and Eric Donovan welcomed guests to the black-tie evening decorated this year with a Scandinavian holiday theme by Kristina Taheri, Special Events. Funds raised during the evening will be used to support The Community House's mission of building community through opportunities of learning, social support, and recreational programs. thecommunityhouse.org
