<<First Name>>,

This past Sunday, I shared what our **Deep&Wide** vision series will hold over the next several weeks. 1) I will be casting our 2024 year vision for the next month, so come back every week to learn more about what God is calling Waymaker.Church to next. 2) Consecrate our households to fulfill the vision. 3) Together, we will commit to the vision of **Deep&Wide**.

I want to invite you to participate in the second part, **consecration**, with me. **February 4-11**, we will be setting aside a week to intentionally pray and fast together as we start a new year and new vision. (Some of you might recall this time as "Revival Week." We are shifting Revival Week to the fall in conjunction with other churches and shifting our kick-off for the year to **Consecration Week**.) This is a time to refocus our hearts and minds on Jesus and pursue the things of Him! This year, we are inviting you to fast and pray with us as we go after the vision of **Deep&Wide**. **Deep&Wide** will take audacious prayer, united sacrifice, and radical obedience. Here is how you can participate:

1. Choose a fast and commit to giving up one, two, or all meals for the week. [Learn more here.](#)
2. Consecrate yourself and your household by getting rid of distractions. Maybe for you, this is TV, entertainment, or social media.

This week is not only about what God is calling us to corporately, ***but what He wants to do in and through you personally.*** Lean in, check out our resource at waymaker.church/consecration, and watch God move.

I look forward to gathering with each of you this Sunday as we continue to press in and seek Jesus together.

Onward,
Pastor Jon Dupin
