## About Me

Freelance Content Writer with 3+ years of experience in creating SEO-driven, engaging content for lifestyle, wellness, and tech brands.

I write well researched, value-packed articles that educate your audience, rank high on search engines and keep readers hooked. No fluff, just results.

## Experience

- **Semic Health** – Contributing Writer 2025 – Present

Writes health-related articles focused on wellness, lifestyle, and medical topics with SEO and readability in mind.

- **Lawn Care** – GhostWriter 2025 – Present

Produces lifestyle and home improvement content for DIY homeowners, adapted seamlessly to the brand's tone and voice.

- **Feminist Code** – Blog Writer 2024 – Present

Creates opinion and storytelling-based blog content centered around the female gender, tech, and empowerment.

- **Crime Documentaries** – ScriptWriter 2024 – 2025

Scripted engaging crime-related documentary content for YouTube channels, using suspense and narrative flow to maintain viewer attention.

- **One-off Projects** – Freelance Writer 2023 – Present

Worked with various small businesses and solo creators to deliver content in niches including health, relationships, and productivity.

## Testimonials

"Feechi brings clarity and warmth to every piece she writes. She has a way of weaving relatability and storytelling into the feminine content of our blog. She always delivers on time, and it's clear she really cares about the work."

– **Treasure Affian, Editor of Feminist Code**
