About Parker McCollum

Parker McCollum grew up in Conroe, Texas, just outside of Houston. He started playing guitar and writing songs as a teenager, and carried his love of music to Austin, where this country music star really started to shine. McCollum started to tour the Texas capital and released his debut album, "The Limestone Kid," in 2015, where he wrote or co-wrote nine of the 11 tracks. The album received positive reviews and he took to the road, booking shows in several major Texas cities.

Throughout his rise, McCollum has sold out many of Texas' most well-known venues including Stubbs, Billy Bob's Texas and Nutty Brown Amphitheatre. His music has appeared on several prestigious lists, both "Hollywood Gold" (EP) and "Gold Chain Cowboy" charted on the Billboard 200, and his most popular song, "Pretty Heart," is a platinum-certified hit. He credits his authentic musical roots to seeing the longevity of icons like Willie Nelson and George Strait. McCollum has a lot of writing success to his name, and his list of shared songwriting credits is impressive, including stars like Wade Bowen, Randy Rogers, Rhett Atkins and Miranda Lambert.
