About Chuck

Expertise

Utility Expense Management	Telecom Expense Management	Utility Bill Audit Services
Energy Management Services	Water Management	Telecom Lifecycle Management
Energy Efficiency Consulting	Data Management & Analytics	Interval Meter Data Analytics
Sustainability Reporting	Sustainable Resource Management	

Chuck Brown, Principal Sustainability Analyst at ENGIE Impact, has 14 years of experience, from bill pay to utility payment management to telecommunications auditing and bill management. His role includes facilitating cross-functional coordination and process improvements.

Chuck's prior experience includes work as a carbon analyst, supporting clients with GHG inventories, CDP disclosures, and emissions reporting, and he is experienced in sustainability reporting frameworks, data validation, and emissions data analysis. Chuck currently leads collaborative efforts across technical and advisory teams with a focus on enhancing efficiency, ensuring data accuracy, and delivering integrated sustainability outcomes for clients.
