Portfolio Benchmarking

Energy Procurement Services

Zach Davis, Director of Supply Operations and Financial Services at ENGIE Impact, is an expert in finance, energy markets, data analytics, risk management, and procurement. He has led reporting and analytics operations since 2008, supporting global energy and sustainability strategies. Zach holds an MBA in Finance from Gonzaga University and is a certified Energy Risk Professional (ERP). He currently focuses on promoting operational excellence and enabling clients to make strategic, data-driven decisions.
