About Jamie

Expertise

[Utility Expense Management](#)[Utility Bill Audit Services](#)[Data Management & Analytics](#)[Financial Services](#)

Jamie Doeleman, Business Solutions Director at ENGIE Impact, has been with the company for 18 years. Beginning her career in operations, Jamie developed a strong expertise in invoice management—the essential starting point for every client engagement. In her current role, she offers subject matter expertise in resource data management, guiding corporate leaders through the invoice lifecycle. Jamie works closely with clients, sales, and operations teams to design tailored solutions that address each client's unique requirements.
