• COSMETIC FILLER • REMOVAL - WHY?

Cosmetic surgery and augmentation are more popular than ever, and this trend is showing no signs of slowing down. Recent technological advances in the realm of cosmetic fillers have led to a surge in popularity and minimally invasive aesthetic procedures are in increased demand. However, in recent years, cosmetic filler removal has also become a common request. Here, we'll explore why patients are seeking to remove their fillers and what can be expected from the procedure.
