

When you joined
Quantum Club,
we promised you
the moon and the stars...

Out of this world rewards for
Quantum Club™ members.

Qwest Communications
4000 Laramie Court
Denver, CO 80216

Would you settle for
more **free minutes**
and a great **new rate**?

Congratulations! To thank you for being a loyal Qwest®
Quantum Club™ member, we're sending you an
additional **30 free domestic long distance minutes.**

To use your free minutes, simply call 1-800-852-1530 and enter your special
PIN, located on the card below.

A stellar rate that **decreases with time.**

Even when the minutes aren't free, Qwest gives you the best deal out there. By now,
you may have heard of Qwest Countdown™, the long distance rate that actually goes
down over time. It starts at a low state-to-state 9¢ a minute, then goes down 1/10¢ every
90 days for 2 years until it reaches the even lower flat state-to-state rate of 5¢ a minute.
Better yet, your weekend calls will be just 5¢ a minute* right from the start. All for a low
\$4.95 monthly fee. To sign up for this great new rate, just call 1-888-633-9633. For more
information on this new product, visit us at www.qwest.com.

*The weekend use of 5¢ a minute for state-to-state calls is in effect from midnight Friday to midnight Sunday.

To use your free minutes,
just call 1-800-852-1530 and enter your PIN.
Remember, this is a 30 day offer to use these
free minutes. You must use them within 30 days of the time
they are credited to your account. (Some restrictions apply and
may vary by service. See www.qwest.com for details.)

How to use your free minutes.
