

To [Mr./Ms./Dr. Recipient],

Thank you for taking the time to contact Artwork Dream. We would love the opportunity to explore a working relationship with your company.

Our package of services includes the following:

- *Logo Creation:* We'll take your choice of up to five colors and up to two fonts and create a unique, customized logo design that appropriately reflects your business.
- *Website Design:* We'll build a completely personalized website for you that includes five pages of tailored content, social media integration, a photo gallery, a free domain, and more. Your custom-designed website will be user-friendly and optimized for mobile, tablet, and laptop use.
- *Search Engine Optimization:* We'll work to establish the online identity of your business through strategic search engine marketing techniques. The content and design of your customized website will be optimized for the major search engines with relevant link building, search engine submissions, and tailor-made blog posts.

More information regarding our services can be found at www.ArtworkDream.com, but we welcome any questions you may have. We look forward to discussing how Artwork Dream can help your business succeed in the online marketplace.

Sincerely,

Laura Harris
