PROFILE

I have a broad knowledge set in local news and political writing, including local, national, and international (such as US politics). I've gained a lot of hands-on experience covering local community stories, honing strong interviewing skills when speaking to diverse individuals. I'm developing a strong foundation in photojournalism and video editing, as demonstrated during my b:friend internship. My role at Empoword Journalism as a Twitter Editor also helped me develop skills in social media, as well as designing skills using Canva and various Adobe programs.

WORK EXPERIENCE

Sky Sports News

APRIL 2025

Placement – F1

- Shadowed and worked alongside Presenter Craig Slater, assisting him during the race weekend, whilst he presented TV packages.
- Joined Sky Sports to work with their different teams, including the F1 digital team during the Saudi Arabia Grand Prix weekend, with incoming news during the race weekend.

PA Media

APRIL 2025

Placement – News Reporter

- Joined PA for a week in Paddington, London
- Attended press conferences at Scotland Yard, court case reporting from Southwark Crown Court, and interviewing small businesses on how they might be impacted by new 10% tariffs by the US.
- Collaborated on stories with reporters, and got two bylines for the stories, and another two bylines solo.

b:friend (South Yorkshire)

JULY–SEPT 2024

Photographer, Editor, and Content Creator (summer internship)

- Joined the b:friend team to work on a creative project, shooting photography replicating famous photos from history and pop culture to create a calendar to help the charity **raise over £2,500**.
- Interviewed various older neighbours from the charity as an extra element for video on the calendar (QR codes), across South Yorkshire.

Sky News

JULY 2024

General Election Stringer

- Worked on election night, helping to get the declaration results for York Central and York Outer constituencies for Sky's live election updates.

Forge Radio

SEPT 2024–PRESENT

Radio host of 'What's All This Then?' & 'Motorsports Society Show'

- With my co-host for each show, we researched, interviewed, and presented each show, covering international news, politics, and motorsports series updates and race reviews.
