

# Meet Tasha.

*Tasha is a five year old with crippling anxiety. Because of her mental health conditions, she has difficulties learning in school. Tasha's mom can't afford the necessary treatment to help her daughter.*

*Then YOU  
came in.*

*Because of your blessings, Tasha now receives school-based support and mental health counseling.*

*Be the change.*

Hope*

# Meet Jose.

*Jose is a hardworking family man who suffered a work-related injury that prevented him from performing his job. With no other form of income, he couldn't pay his bills.*

*Then YOU  
came in.*

*Because of your generosity, Jose and his family now receive groceries from our food pantries and financial aid for utilities and rent.*

*Be the change.*

*Hearts  
OF  
Hope*

# Meet Diana.

*Diana's social security barely brings in enough to manage her bills and she sometimes wonders if she can eat on certain days. With her health conditions, she can't hold a steady job.*

## Then YOU happened.

*Thanks to you, Diana now receives daily hot meals from Patty's Cafe and free groceries every two weeks at Trini's Market.*

## Be the change.

# Meet Ledia.

*Ledia is a retiree who lives on a fixed income. After her husband died last year, funds became scarce and she barely makes enough to afford food to eat.*

## Then YOU happened.

*Thanks to your contributions, Ledia can shop for free groceries at Trini's Food Pantry. She also participates in their cooking classes!*

## Be the change.
