**New in 2022 (h1)**

**Expanded Services at Bonita Health Center – Part of Lee Health's Coconut Point Health and Wellness Campus (h2)**

Now owned and operated by Lee Health, the Bonita Health Center currently features urgent care, rehabilitation, imaging, rheumatology, and other services.

But we are proud to announce new services at BHC in 2022—all in one location, right next door to Lee Health Coconut Point, so our South Lee community members can get the care they need, close to home.

- Family Medicine
- Urology
- Endocrinology
- Behavioral Health & Addiction Medicine
- Pediatric Behavioral Health
- Radiology & Imaging (PET scan)
- Adult Gastroenterology
- Occupational Health
- Labs and Blood Donation Center
- Expansion of our medical oncology and infusion center for cancer patients and their families

The Bonita Health Center and Lee Health Coconut Point: Together, they offer a health and wellness campus that delivers world-class care and an experience that emphasizes compassion and kindness. Our experts are here for you!
