Welcome new students, to the Mozart Academy Community!

To start off on the right foot, we just wanted to give you a little something:

Our Mission at the Mozart Academy is to get our students excited about music – what better way than to spend more time learning music? We've seen that students who have lessons 2 or more times per week ***improve their musical proficiency 5x faster*** than our once-a-week students.

Schedule lessons any time, any day of the week - it makes it that much easier to fit that extra hour into your calendar.

Interested? [VISIT OUR WEBSITE] and enroll in your ***50% off bonus lessons*** today!

We're excited to have you on, and of all the possibilities that await you in the upcoming months.

In Gratitude,

Dr. Joe Jones
