Intro Text:

"May all beings everywhere be happy and free, and may the thoughts, words, and actions of my own life contribute in some way to that happiness and to that freedom for all."

Shortened to "May All Beings Be Happy and Free," this traditional Sanskrit Mantra speaks to the interconnectedness and love between all humans, big and small, and unites us under a single message of compassion.

Seven Saints is now featuring four pieces with this mantra engraved with the words, "May All Beings Be Happy and Free," in its original Sanskrit, ***Lokah Samastah Sukhino Bhavantu***. It is believed that wearing spiritual mantras close to the body can help us spiritually to connect deeply to the sacred message.
