PROFILE

Innovative and articulate narrative designer (in training), with passion for storytelling and knack for capturing readers' interest. I possess a strong understanding of grammar and style, coupled with an intense obsession with how games and narrative blend together. My goal is to craft compelling narratives that engage audiences and make games feel alive.

WORK EXPERIENCE

Ginx.TV   2022 - PRESENT
Contributing Writer

- Write compelling, succinct, clear news scripts under tight deadlines.
- Wrote and published reviews of various games such as Elden Ring: Shadow of The Erdtree and Call of Duty: Black Ops 6.
- Composed thought-provoking opinion pieces.
- Participated actively in team brainstorming sessions.
- Edited, proofread and fact-checked content for accuracy.
