Executive Summary

"A Healthy and Aware Society"

Under the theme: "A Window of Hope"

Hour & Hour Event: "A Healthy and Aware Society," held on April 30th from 6:00 PM to 8:00 PM, at Al Jewan Hall, was organized by the Sa'a wa Sa'a program in collaboration with the Qatar Cancer Society.

The event took place in observance of three coinciding international occasions: World Health Day, the International Day of Sport for Development and Peace, and World Thyroid Cancer Awareness Day.

The initiative aimed to shed light on important health, sports, and community topics through an engaging and inspiring platform.

Opening windows of hope within the community, the event featured dialogue sessions, student artistic performances, and diverse exhibitions conveying powerful humanitarian messages. It also included a panel discussion with a distinguished group of expert speakers, along with expressive student performances and an exhibition that blended creativity, knowledge, and inspiring experiences.

It was not just a celebration, but a comprehensive platform for awareness, expression, and empowerment. It successfully brought together health, sports, and cultural institutions under one umbrella.

Three global occasions... united by one noble human message:

The event aimed at:

- Promoting health and community awareness
- Highlighting sports as a means for development and peace
- Showcasing success stories and raise awareness about the importance of early detection
- Integrating art into awareness messaging
- Connecting community organizations in a collaborative space
- Engaging students to help build a generation aware of health and sports issues

The event was attended by ambassadors, diplomats, prominent media figures, and officials from various sectors. It was hosted by media personality Iman Al-Kaabi, and the discussion session was moderated by Mishal Shaker.

A photograph of a white building with arches and a dome, featuring a large 'THANK YOU!' text overlay. The building has a modern architectural style with multiple levels and arched windows. A large tree with white flowers is in the foreground, and a flagpole with a white flag is visible. The text 'THANK YOU!' is centered in a bold, dark brown font.

THANK YOU!
