**River Stage and Cosumnes Community Services District to Present Shakespeare's  
*Twelfth Night* at Laguna Town Hall Amphitheatre**

**Elk Grove, CA, JULY 8, 2025** – River Stage, in partnership with the Cosumnes Community Services District (CSD), is pleased to announce its upcoming summer production of *Twelfth Night* by William Shakespeare. The production will run from **Friday, July 18 through Sunday, August 3, 2025**, with performances held at the **Laguna Town Hall Amphitheatre** in Elk Grove. One of Shakespeare's most enduring comedies, *Twelfth Night* follows a tale of mistaken identities, misplaced affections, and playful deceptions set in the whimsical land of Illyria. Featuring a cast of memorable characters, from Viola and Orsino to Sir Toby and the wise Fool, the play explores themes of love, identity, and joy with both poignancy and humor.

This outdoor production offers audiences a unique opportunity to experience live theatre in a scenic and accessible venue ideal for an evening picnic and live entertainment. Community members should bring blankets, lawn chairs, and snacks of their own to enjoy—and perhaps share with neighbors—as they settle into the audience. Parking is free of cost, and seating is available on a first-come, first-served basis, allowing guests to relax and enjoy the show under the stars. Local food and beverage vendors and community partners will be present at select performances.

Tickets are available on a **Pay-What-You-Can** basis, reflecting our commitment to accessibility and inclusion. While most students choose to contribute between \$0 and \$2, all donations directly support the continuation of this equitable ticketing model. This approach ensures that members of both the campus and local community can attend performances regardless of financial circumstances.
