

**Second Chance
Animal Rescue™**

About US

We are an all-volunteer nonprofit since 1994, giving homeless dogs & cats their second chance at love!

Our rescues live in foster homes until they find their furever families.

We are dedicated to:

-  **Rescuing and caring for homeless pets**
-  **Finding loving, responsible homes**
-  **Educating the public on animal welfare and the importance of spaying/neutering**

Adopt. Foster. Donate. Volunteer.
Every animal deserves a second chance! ❤️

Luna

Woof there! I'm Luna! 🐾

I'm a chill gal with plenty of love to give! At 4 years young, I'm all about easy-going strolls and cozy cuddle sessions. My gray muzzle gives me extra charm, and I'm ready to charm my way into your heart. Could I be your new bestie?

Blu & Mia

🐱 Meow there! We're Blu & Mia! 🐾

We're a purr-fect package deal at just 2 years young! Blu (the sleek shadow) and Mia (the ginger sweetheart) here - brother and sister who do everything together! We love snuggling on soft blankets and making new human friends.

Our personalities? Delightfully different but completely compatible! Could YOUR home be where our forever adventure begins?
