RESTORE BALANCE IN YOUR SPACE

Indigo Living's Fall/Winter 2021 collection plays on the power of contrasts to bring refined balance to your home

FOR IMMEDIATE RELEASE / Indigo Living today introduces its Fall/Winter 2021 collection, highlighted by two seasonal trends that balance your home with both masculine and feminine touches. Discover how to elevate your space with the bold yet cosy **Boston Brownstone** designs inspired by luxe loft living, or opt for glamorous and playful **Around The Bend** pieces that exude a contemporary art-deco vibe.

BOSTON BROWNSTONE

Envelop your home with the autumnal warmth of Boston Brownstone. Drawing inspiration from a contemporary, chic city loft with a touch of the rustic outdoors, the Boston Brownstone collection is typified by contrasts that evoke feelings of comfort, space and freedom. Bold, masculine finishes in warm leathers, antique metals and rich black marble are given a feminine lift with soft furnishings luxurious to the touch.

Portraying a beautiful combination of dark wood and brass, the Kennedy Sideboard (HK\$22,990) is a simple and modern piece with clean lines that serve as the perfect mantle. Showcase the Horizon Clouds Artwork (HK\$6,990) which imbues sunset hues that

complement the monochromatic Kai Pendant Lamps (HK\$690) in Amber, Smoked, and Clear.

Curl up with your favourite book in with the Westminster Chair (HK\$12,990) complete with a matching marble and brass Zane side table (HK\$4,690) and the elegant, well-lit Braxton Floor Lamp (HK\$3,590). Or add effortless style to your home with the Miles Leather Armchair (HK\$4,990). A timeless classic, this luxurious leather chair has a sleek wooden frame, tapered legs and a deep seat, creating the perfect space for comfort and relaxation.

Unwind and entertain your guests amidst luxe, bold comfort at the Ferris Marble Dining Table (HK\$26,990). With a brass rim, polished sand finish and subtle detailing, this table can comfortably seat up to 6 guests and pairs perfectly with the two-tone Grey upholstery and slim, dark metal legs of the Allen Chair (HK\$3,490). The slim and compact Curves Bar Trolley (HK\$4,790) is an eye-catching entertainment piece that will glide effortlessly into the dining, living or kitchen areas.

Emanate city chic in your home office with the Kennedy Desk (HK\$18,990) and the Podium Bookcase (HK\$14,890) with a brushed brass finish that adds geometric depth to any space. Accessorise with Cecelia Shrub Sculpture (HK\$1,090) for a dreamy and nature-inspired look. Pieces featuring intricate designs and textures such as the Luxor Marble Ornament (HK\$450) in white or black and Roaring Tiger (HK\$420) add a touch of elegance.

AROUND THE BEND

Lighter tones and medium dark timbers playfully complement one another in this updated art-deco inspired trend. An evolution of Indigo Living's Sleek Curves collection, Around the Bend merges bold colours with rounded and curved elements for a playful, feminine touch. Light marbles and woods blend with deep warm tones and brass, while pops of greens, royal blues, burnt coppers and mustards stand out to make a dramatic yet elegant statement.

Rounded edges and silhouettes, amorphous chairs, and contoured tables provide a sense of carefree glamour, while lush, tactile fabrics add

warmth, comfort and depth to your space - think bouclé, indulgent velvets, and shaggy sheepskin cushions.

Add a touch of elegance to your dinner party with the Waterfall Dining Table (HK\$7,290) crafted with a clear glass top and gold base emulating water falling to the ground. Continue to impress your guests with the Green Bug Napkin Ring (HK\$350) that combines the purity of green aventurine stone with an eye-catching design, and the large Flamingo Bowl (HK\$650) made from stainless steel perfect for serving. With sleek metal legs and green velvet upholstery, the Tyson Chair (HK\$3,290) provides luxurious comfort to those around the table.

Adorn your floors with the soft Ripple Rug (HK\$14,990) made of 100% wool, and add to your walls with the mid-century abstraction style Sage and Moss Artwork (HK\$7,990) on canvas, the serene Flamingo Sunrise Artwork (HK\$8,490) or the Evening Song Artwork (HK\$5,290) designed exclusively for Indigo Living by Provocateur Art. Bring the magic of the moonlight to your living space with the Luna Table lamp (HK\$2,990).
