At times like these, smart planning becomes more important than ever.

“Good fortune is what happens when opportunity meets with planning.”

Thomas Edison

Nothing is as predictable as life's unpredictability.

It's hard to know what's going to happen from one moment to the next. The best any of us can do is to prepare a plan to help deal with the "What ifs?" of life.

At Friendship Village of Dublin, we offer everything you need for abundant daily living: A beautiful 29-acre campus with a wide range of floor plans, several dining venues, walking trails and wellness activities. An on-site medical practice staffed by doctors from Central Ohio Primary Care (COPC). Plus, the companionship and camaraderie of fellow residents who, like you, appreciate the value of planning for life.
