STAY INDEPENDENT. STAY PROTECTED. STAY HOME.

The Smarter LifeCare at Home Plan for Central Ohio

WHY IT MATTERS

Retire at Home Your Way

You love your home. It's your comfort zone, your history, your freedom. But if your health changes, will you still be able to thrive in the place you love?

Friendship at Home helps you age in place with:

Nest Egg Protection – Secure your finances from rising care costs

Lifelong Care Coordination – So you (or your loved ones) never have to manage care alone

Keep the Lifestyle You Love – Thrive at home, on your terms

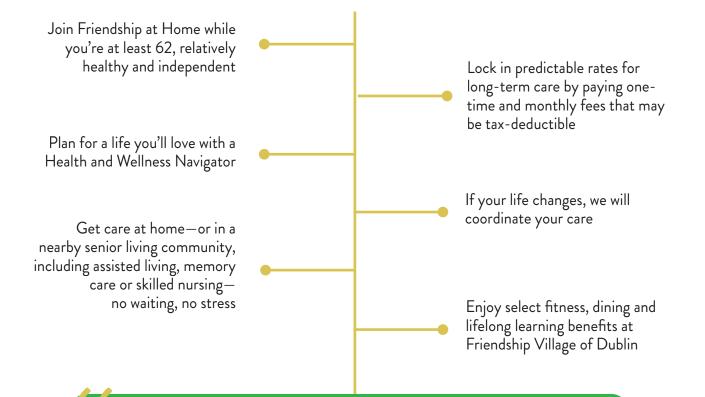

Aging at home shouldn't be a gamble.

Friendship at Home gives you peace of mind for the road ahead.

HOW IT WORKS

We Keep You Covered—Without Making You Move

Friendship at Home gave me exactly what I needed when life took an unexpected turn. From arranging my rehab stay to making sure I had support at home, a Health and Wellness Navigator took care of every detail so I could focus on getting better."

THE TRUE COST OF CARE

Today's Long-Term Care Costs Are High. Tomorrow's Will Be Higher.

Planning for long-term care isn't just smart. It's vital for your financial security and peace of mind.

The annual median cost of a private room in a nursing home rose from **\$116,800** to **\$127,750** between 2023 and 2024. That's a **9.4% increase** in just one year! The median annual cost for assisted living care **rose 10%**, reaching **\$70,800**.

In-home care with a health aide now averages \$77,792 per year nationally.

With Friendship at Home, you can:

- Avoid unpredictable out-of-pocket costs
 - Prepay for future care at predictable rates
 - Reduce financial stress on yourself and your family
 - Qualify for potential tax benefits
