The graphic features a smiling woman in blue scrubs holding a clipboard and pen, set against a yellow and blue background. To her right, the text 'RN2BSN' is displayed in large white letters, with a yellow '2' that has a brushstroke effect. Below this, the text 'Edison State's First Bachelor's Degree' is written in white. A yellow-bordered box contains the URL 'www.edisonohio.edu/meded'. At the bottom right is the Edison State Community College logo.

Our Medical Laboratory Technician program prepares students to contribute to the health care field. MLTs help physicians accurately diagnose and treat patients by obtaining, processing, testing, and evaluating biological samples taken from patients. Learn more about this and other rewarding health sciences career pathways at [www.edisonohio.edu/meded](http://www.edisonohio.edu/meded).
