## **Intermountain Home Services Supports Youth Hockey Program Through Community Partnership**

**Salt Lake City, UT — 4/16/2026** — Intermountain Home Services is proud to support the Utah Mammoth Amateur Hockey Association as part of its ongoing commitment to strengthening the communities it serves.

The partnership was recently celebrated at a youth hockey event, bringing together players, families, and community partners to celebrate the continued growth of youth hockey in Utah.

Through its support, Intermountain Home Services joins organizations including University of Utah Health, Nomi Health, and America First Credit Union in expanding access to youth sports and creating opportunities for young athletes across the region.

Members of the Intermountain Home Services team were present at the event, engaging with families, hosting games, and sharing information about the company's focus on improving home comfort and indoor air quality, including clean air and water systems that support healthier living environments.

By supporting local initiatives like the Utah Mammoth Amateur Hockey Association, Intermountain Home Services continues to demonstrate its commitment to community engagement, customer care, and investing in programs that bring families together.

### **About Intermountain Home Services**

Intermountain Home Services provides home solutions focused on improving comfort, efficiency, and overall home health. Through a customer-first approach, the company helps homeowners maintain reliable, safe, and comfortable living environments.
